

## TINTERN COMMUNITY COUNCIL

# GUIDE TO USING THE NEW MCC PLANNING PORTAL

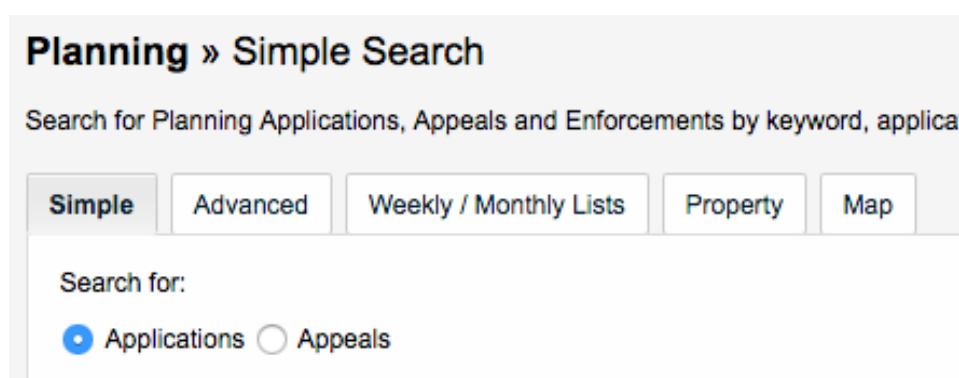

Monmouthshire County Council has changed the way in which the planning portal, the way to search for planning applications, on their site operates. This means that previous functionality where an application number could be clicked to display the details, as on the Tintern CC site, no longer works.

Clicking an application number on the Tintern CC site now copies that number to the clipboard and launches the portal. The number can then be pasted into the last field to search for the application.

There is, however, a way in which applications for a given week or month can be displayed. The instructions on how to achieve this follow.

### LAUNCH THE PORTAL

Either click on an applications number on the Tintern CC applications page or enter the url <https://planningonline.monmouthshire.gov.uk/online-applications/> in your browser.
